

# iiNet Business Phone

## Save with Business Phone

Setting up a new phone line with iiNet or transferring your existing line across is simple, and you'll have access to our great call rates as well as a host of other benefits.

## The host of other benefits

### ■ Bundle for bigger quota

Bundle your phone with any business broadband plan and you'll get a big increase to your total monthly quota allowance.

### ■ Priority support

From our dedicated Business team (6am to 6pm WST Mon-Fri).

### ■ Track your call records online

No waiting til the end of the month to see who's rung who.

### ■ One invoice

Internet + phone in one bill – let's keep it simple.

### ■ Only pay for the time you talk

All calls are timed per minute, so you only pay for the time you talk.

### ■ Plenty of free features

Call forwarding, Three Way Chat, Call Waiting, and more.

## Switching to iiNet Business Phone is easy

We'll take care of the whole process – you don't even need to contact your current phone provider.

### ■ Seamless changeover

### ■ No downtime

### ■ Keep your existing number

### ■ No administration fees or compulsory contracts
