

iiNet Business Naked

Getting Naked is good for business

Ok, naked jokes aside, this product can do seriously great things for your business.

If your business loves using the net, why waste money delivering it down the big telephone companies' phone lines? iiNet Naked DSL is full speed ADSL2+ broadband, requires no landline and has its own built-in phone service called iiTalk.

Features

■ No line rental

Save on unnecessary fees.

■ Priority support

From our dedicated Business team (6am to 6pm WST Mon-Fri).

■ Free local & national calls

As well as great international and mobile rates.

■ Complimentary computer support

Covering software troubleshooting plus fault resolution for Windows and Apple Mac systems.

■ 20 email addresses & 1GB of web space

That's enough for your website and email needs now and down the track.

■ Free email virus and spam protection

Included with all iiNet email addresses.

■ Speed

We built our own national high-speed ADSL2+ network delivering the fastest broadband speeds up to 24,000k – as fast as your line can handle.

■ Static IP

Host anything from VPN, web or FTP servers plus we'll throw in an additional block of 4 IP's if you need them.

■ Peak/ off peak times

For Naked Business 1 the peak times are from 8am to 2am. For Naked Business 2 and 3 the peak times are from 9am to 1am.

■ No excess usage fees

We won't charge you if you go over your monthly quota, we'll just shape your speed to speeds to 512/512kbs (twice as fast as residential plans).

■ Keep your existing phone number

Changing numbers can be a hassle, so we give you the options of transferring your existing number directly to iiTalk.
