

IMPORTANT INFORMATION ABOUT YOUR RIGHTS AND OBLIGATIONS.

SUMMARY OF OUR CUSTOMER RELATIONSHIP AGREEMENT – 14 DECEMBER 2010

This Customer Relationship Agreement (CRA) is between you and iiNet Limited (ABN 48 068 628 937) or any Related iiNet Entity which supplies the Service to you. This is a summary of our CRA that sets out the terms and conditions on which we supply services to you.

It is not possible to cover everything in our CRA here and therefore this summary is designed to give you information about what our CRA covers and its important terms.

A complete copy of our CRA is available from our website www.iinet.net.au/legal

Charges

All charges for our Services are set out in our Pricing Schedule in Section C of our CRA.

The Service charges will depend on the Service options and features selected by you. Telephone service charges may also vary depending on the time of day (including peak and off-peak periods); the origin and destination of the call, the volume of calls made during a period, whether the call is a voice call or a data call and any discounts that might apply. In respect of Internet access services, charges may also vary depending on the included data allowance and service speed that you have chosen.

We may also make special offers and, if validly accepted by you, the price and terms of the special offer will prevail over those otherwise applicable under our CRA for the duration of the special offer.

Billing

We will bill you according to the Service options chosen by you and specified in our Pricing Schedule. Some Service options allow you to choose the frequency of your bills.

Bills are usually electronically sent to the email address provided by you on your Application. Paper bills are available but do incur a fee.

Your bill will show the various ways that you are able to make payment. Some Services can only be paid by direct debit from your credit card or nominated bank account. We may charge you a fee if your cheque is dishonoured or your direct debit payment is declined.

If you do not pay a bill by its due date, we can charge you interest or a fee or any costs incurred to collect payment of the bill. We can also suspend, restrict or cancel the Service until you pay your bill.

Contract

Some of our Services may have a minimum Contract Term for which you must use the Services and if you cancel the Service before the end of that Contract Term you may be charged a Break Fee for early cancellation. After a minimum Contract Term we will

continue to provide you with the Service by renewing the contract on a month-by-month basis.

Upon the completion of a Contract Term, you may cancel the Service by notifying us.

We may cancel your Service if we determine that it is not viable to supply it to you, you breach our CRA, you fail to pay your bill on time or we believe you are a credit risk, there is excessive use of the Service, we reasonably suspect fraud or other illegal conduct in connection with the Service, it is necessary for the purpose of network maintenance, there is an emergency, the law allows or requires us to, the Australian Competition and Consumer Commission issues a competition notice, you leave your premises, or you become bankrupt or insolvent.

If we reconnect a Service that has been cancelled or suspended, you may be required to pay a reconnection charge.

Variations

We may change our CRA at any time, and are not required to give you any prior notice unless a change is detrimental to you. In such cases, we will notify you at least 30 days beforehand. If we make any change which would cause detriment to you, you may cancel the Service without incurring any Break Fee/cancellation charge by giving notice to us within 42 days after the date we notify you of the change.

You acknowledge that you have consented to us sending you notices relating to our CRA or any variations to it by email to your email address.

Liability and Warranty

We accept liability for our negligence and interruptions to our Services if it causes personal injury or death, or if it causes damage to your property by repairing or replacing the property or paying you the cost of doing so or by repairing or replacing relevant goods or resupplying relevant or equivalent services capable of being resupplied or paying you the cost of doing so. We accept liability to you in accordance with the Trade Practices Act, the Customer Service Guarantee and other laws.

Otherwise we are not liable to you for any loss or damage in connection with our CRA or our Services (e.g. lost profits or business or any other consequential losses).

You indemnify us against any loss, damage, or costs relating to the use of the Service or equipment used in connection with the Service, and any claim made against us.

Complaint Handling

If you have any complaints please contact us. If you are not satisfied with the initial outcome of your complaint, it will be passed to a manager for review. We have formal procedures in place for doing this. If your complaint is not resolved you may lodge your complaint with the Telecommunications Industry Ombudsman (TIO) on www.tio.com.au

Fault Reporting

We aim to provide, but do not guarantee, continuous or fault free Services. We provide a 24 hour 7 day-a-week fault reporting service. If you wish to report a fault, please call us or email us.

If you ask us to come to your premises to repair a fault and no fault is found, or the fault turns out to be caused by your equipment you may be charged a fee.

Customer Service Guarantee

Minimum performance standards (**CSG Standard**) exist for the connection and fault rectification of standard telephone services and the attending of appointments by carriage service providers.

The CSG Standard aims to protect you against poor service and you may be entitled to compensation if we fail to comply with the CSG Standard.

For more information about the CSG Standard visit the www.acma.gov.au or telephone us.
