

Critical Information Summary:

Fibre1000 IP Line

Information about the Service

Service Description

Fibre1000 IP-Line is a symmetrical 1000Mbps fibre-optic connection to the iiNet network and includes unlimited internet.

Minimum Service Term

The service is supplied on a 24, 36 or 48 Month contract.

Availability

Limited to iiNet on-net buildings. Your address must be pre-qualified before a formal quotation can be provided.

Equipment Required

You'll need a compatible router or firewall at your premises. You can choose our managed router option in which case we will supply and manage the router for you or you can choose our un-managed option in which case we will supply the router for you but it will be managed by you.

Monthly Data Allowance

Unlimited – there are no time restrictions and no excess usage charges. Our Acceptable Usage Policy applies.
